EASTER - IT'S TIME TO BEGIN AGAIN!

Lord Jesus, our long walk through Lent is finished. This new day is bathed in your Resurrection light. Thanks be to God.

Amen.

Alleluia! Christ is Risen! He is Risen indeed! Alleluia!

Spring has finally sprung! The long wet, miserable winter months are past, the summer is yet to come, but right now we have Spring time. The Lent season is finishing, culminating in raw sadness. But just like the women in the garden at the tomb, we are also walking right into the Easter sunlight, where we can encounter Jesus. Right here he gives us new life with him and hope in our hearts. Where our wells are dirty, where the land is dry and thirsty and all of creation is suffering, he brings us the water of life. He loves, refreshes, renews and restores us.

"Heavenly Father, may we feel your resurrecting, spring time love and power within us, filling us with energy and strength. May your love shine through us, that those who we meet, may see that love for themselves. Amen"

Such love, springs from eternity
Such love, streaming through history
Such love, fountain of life to me
O Jesus, such love"

WISHING YOU ALL MANY BLESSINGS THIS EASTER TIME
