People are often unreasonable, illogical and self centred:
Forgive them anyway.

If you are kind, people may accuse you of selfish ulterior motives:

Be kind anyway.

If you are successful you will win some false friends and true enemies:

Succeed anyway.

If you are honest and frank people will try to cheat you:

Be honest anyway.

What you spend years building, someone could destroy overnight:

Build anyway.

If you find serenity and happiness, they may be jealous of you:

Be happy anyway.

The good you do today will often be forgotten by tomorrow:

Do good anyway.

Give the world the best you have, and it may never be enough:

Give your best anyway.

You see, in the final analysis, it is between you and God.

It was never between you and them anyway.

Mother Teresa
